

# Dental Savings Plan Contract - Belton Family Dental

The following is a description of the contract between you (the Patient) and Belton Family Dental (the Office). This savings plan (the Plan) has been constructed to help patients who may not have insurance (but is not limited to only those without insurance) save on dental treatment. The terms of the plan shall be 365 days or 1 year from the date of signing the contract. Payment for the plan is all at once and can be paid with cash, credit/debit card, check or other credit option (e.g. Care Credit, Flex card etc..).

Patients are eligible for discounts and benefits of the plan the day that they sign up and pay for the plan in its entirety. The plan will end 365 days, or the same day that the patient signs up in the next year. Patients are eligible for benefits of the Plan on the 365th day after signing up. There is a 72 hour "cooldown" period, meaning that if a Patient changes his or her mind following signing up for the plan, they may call, email or text the office of this and receive a refund for the Plan. If the Patient signed up for the plan and received savings from the plan in addition to treatment on the same day, the patient will receive a refund for the plan cost, minus the savings incurred on the same day. For example, if a Patient signed up for the Plan and paid \$479 and received \$1000 worth of treatment with a 10% discount (\$100) and payed a total of \$1379 (\$900 +\$479), then changed their mind with 72 hours and notifies the office, they will receive a refund of \$379 (\$479 minus the plan savings of \$100).

The Plan benefits and policies are determined below. For patients over the age of 12 with normal gingival health and conditions that do not need periodontal treatment, the Adult Complete Plan is the appropriate plan. For children age 12 and under, the Child Complete Plan is the appropriate plan. For patients needing periodontal treatments, as diagnosed by the doctor, the Periodontal Complete Plan is the most appropriate plan. The benefits included are shown below in this image.

ADULT COMPLETE PLAN	CHILD COMPLETE PLAN	PERIODONTAL COMPLETE PLAN
<p><b>\$479/year</b></p> <p>2 Professional Cleanings 3 Exams All needed X Rays 2 Fluoride Treatments 10% Off any Treatment 20% Off Dental Implant Procedures</p>	<p><b>\$379/year</b></p> <p>2 Professional Cleanings 3 Exams All needed X Rays 2 Fluoride Treatments 10% Off any Treatment</p>	<p><b>\$699/year</b></p> <p>3 Periodontal Maintenance Cleanings 3 Exams All needed X Rays 2 Fluoride Treatments 10% Off any Treatment 15% Off any Periodontal Procedures 20% Off Dental Implant Procedures</p>
<b>NO WAITING PERIODS. NO MAXIMUMS. NO DEDUCTIBLES</b>		

There are no waiting periods, no maximums and no deductibles for the plan. If a Patient receives more treatments than are allotted above; for example, a patient receives 4 exams rather than 3, the patient is entitled to a 10% discount off of the regular cost of the exam. There is no pre-existing condition limitations for the Plan.

### **Guarantee of Services Under the Plan Time Frame**

Since the Plan is on a rolling yearly basis, patients are highly encouraged to schedule their treatments ahead of time. For services scheduled, patients will be guaranteed a time for their service if scheduled at least 60 days before their plan is to terminate. For example, if a patient signs up for the Plan on January 1, the Patient will be guaranteed an appointment for the requested service if the appointment time is requested by November 1 of the prior calendar year. As an example, if a patient calls 7 days (less than 60 days) before their plan is set to expire and wants to schedule an appointment to utilize the savings plan, they will not be guaranteed an appointment time and may have to pay the Plan fee again if the service time frame is past the 365 days when they signed up. All reasonable efforts will be made to get an appointment for services.

### **Plan Limitations**

This is an in office plan only and is non transferable and benefits do not roll into the next year if unused. Payments are non refundable after the 72 hour cooldown period. Standard office policies and procedure rules apply, for example, missed appointment fees may apply if no early notice is given for missed appointments, no discounts will be applied to missed appointment fees. This is NOT dental insurance and can only be used at Belton Family Dental. Plan policies may change from year to year at the Practice's discretion. Members will be notified if plan benefits change.

By signing below, I understand the Plan benefits and limitations and agree to the Plan policies and limitations.
